GREAT PLAINS RESEARCH
A JOURNAL OF NATURAL AND SOCIAL SCIENCES

***Great Plains Research*, a biannual multidisciplinary journal, publishes original scholarly papers in the natural and social sciences dealing with issues of regional concern. It includes reports on symposia and conferences and reviews of books addressing topics pertaining to the Great Plains.**

We invite submissions of manuscripts from regional scholars. Papers should report original findings, and be written to be both a contribution to the author's discipline and of interest to a multidisciplinary audience. Prospective authors should write to the Editor for information about style and submission procedures.
